Explanation of Responses:

1. The shares vest in equal monthly installments over a one year period such that the option is fully vested on June 30, 2021, subject to full vesting acceleration upon a change in control (as defined in Bionano Genomic's equity incentive plan).

2. The acquisition of the reported option was reported in a Form 4 filed on July 2, 2020, which mistakenly reported the expiration date as 06/30/2029.

Remarks:
